Head Teacher:
M LOUCA

Summer 2: 2011 - Reception

Physical Development

Developing pencil control and writing skills.
Using construction materials, tools and playdough.
Developing co-ordination and awareness of space.
Playing stop/start games.
Playing parachute games
Developing ball skills; balancing; aiming at a target; negotiating large equipment (eg. Climbing/crawling)

How we spend our time

Creative

Painting and collage; exploring symmetry; using 3D shapes to create models; developing cutting skills and exploring different ways of sticking; using different media (eg; chalks/crayons) to create pictures; using instruments to create rhythm and pattern.

PSHE

Learning to take turns and share.
Working together co-operatively.
Considering how their words and actions affect others.
Understanding what is right and wrong and why.
Understanding how people have different views and beliefs.

Knowledge & Understanding Transport, Travel – places to visit, history of transport, friction, making jelly, people who help us.

How you can help your child at home: Please share your child's book at home regularly and practise their keywords. Please help them to learn doubles/number bonds to 10.
