Head Teacher: **M LOUCA**

Dear Parents

Welcome to the children's last half term at Chivenor. Thank you for your continued support at this very important time.

### Mathematics

The majority of the work that the children will be doing will centre around the Year 6 to Year 7 transition project. This will involve the children in problem solving activities that will consolidate their understanding of the four rules of number.

### Literacy

The children will be completing work around texts that explore points of view. They will look at newspapers, balanced reports and bias in texts. The work will be completed using a cross curricular approach that incorporates our topic on Ancient Greece.

### Topic

We will continue with our topic on Ancient Greece and will look at the Myths and Legends of Daedalus and Icarus, The Trojan Horse and Odysseus and the Cyclops.

### Other information

The children have all enjoyed auditioning for a part in the production - Pirates of the Curry Bean. We will begin learning the songs next week and children have been given a script to learn. We are sure that you will really enjoy it and hope that you will help your child with learning their parts.

'Always striving to achieve our personal best'
