Ideas for Next Fund Raising

1. Playground equipment
2. Shelters
3. Benches
4. Musical Instruments

It was proposed and agreed that playgrounds would be our next priority. General discussion to start with smaller easily funded resources.

Keaton Cutler's Money

- Mentor's room is in need of attention. It was proposed and seconded that money raised by Keaton Cutler's swim could be used towards refurbishment of the end classroom in hall to provide storage for Learning Mentor's resources.
- It was agreed to use the money and to supplement with Tap funds.

Priorities for fundraising Playgrounds

We are raising money for this:-

- Covered, lockable notice boards – 1 in each playground for the display of newsletters and school notices.
- Boards for children
- Benches
- Shelters
- Basketball hoops – need to be put up
- Large equipment

Extended Funding

It was suggested that committee members explore the possibility of finding other funding.

- Airport funding
- Mandy to contact Jack Dromee

It was suggested that we ask parents to form a working party to clear top end of junior playground with a view to funding benches for seating and shelter in the summer
