

Eucharist

**The Eucharist is a special Sacrament,
we celebrate it in Mass.**

**The Eucharist is Jesus' body
Given up for us all.**

**The Eucharist is a never ending circle,
It is like Jesus' love for us.**

**The Eucharist is a celebration,
We feel joy take over our body when we receive Jesus.**

**The Eucharist is ruby,
red with the blood of Jesus.**

**The Eucharist is a heavenly treasure,
There is always enough to share with all.**

**The Eucharist is the bread of life,
It keeps our faith alive.**

**The Eucharist is Corpus Christi,
It spreads throughout the world.**

**The Eucharist is a promise,
We should receive it forever.**

**The Eucharist is dinner,
Shared with all to bind the Catholic Community together.**

**The Eucharist is like a tour guide,
It guides us to our home in Heaven.**

Emily Reader
